

Ogrifox, Ox-Drixw, Protective Gloves Ox.18.382 Drix

Variants: 2

Protective gloves made of goat leather.

- white grain goat leather
- full-palm - the gripping part of the glove is made of one piece of leather, which makes it more durable and resistant to abrasion
- full leather, i.e. made entirely of leather, including the cuff
- wrinkling at the wrist makes the glove fit perfectly to the hand
- popularly used for general mechanical work
- used in construction and heavy industry
